***Please be aware that your apartment is now available to pre-lease for a date after your scheduled move out date.**

There are several things to remember on the days leading up to your move-out date.

- You are responsible for utilities through your scheduled move out date.

- Please provide your forwarding address to the office on or before the day you vacate.

- We expect keys to be turned in by Midnight on your move-out date. We do not know if you are out unless the keys have been turned in.

- Satellite dishes and equipment must be removed prior to vacating the apartment or you will incur a charge for it to be removed. The provider NEVER comes to pick them up.

- Per your lease, you are responsible for returning your apartment as close to its original condition as possible. We do offer a hassle-free cleaning option for your convenience. Please be aware that the hassle-free cleaning option does not cover repairs due to damage in the apartment and only covers the labors of a normal clean, not extensive cleaning service. Please inquire within for details.

-Please do not dump any items, such as furniture, TV's, mattresses, or any other large items. You can call AmVets at 901-775-5010 to have any large item picked up or take them to Goodwill. Our trash compactor is not able to hold these items. If management is notified that you have placed any trash or large item at the compactor area, you can be fined up to \$125 per item.

When scheduling a move out inspection, everything must be out of the apartment, cabinet doors left open, clean, including all appliances, and ready to turn in keys. Call the office several days in advance. These are performed Monday – Friday 9am – 4:30pm and must be scheduled in advance. If you are unable to do the inspection during these times, please let us know that you will be forgoing the inspection and will turn the keys in on your move out date. (We are not doing "In Person" inspections currently)

If you have any questions, please call our office at (901) 526-0322. We hope your residency at Arbors Harbor Town has been a pleasant experience.
