Defined Scope of Work – Terms & Conditions

Crawlspaces are not included in this scope.

Payment of this invoice confirms acceptance of these Terms and authorizes Ozer Engineering LLC to continue with the services described in the invoice and/or related proposal(s)/assessment(s). The scope of services is defined by the written quote; any additions will require written agreement and will be billed separately. Ozer shall apply the skill and care ordinarily exercised by structural engineers when and where the services are rendered. The scope of engineering services is limited. Fees are based on known factors at the time of scheduling; if conditions change, additional charges may apply and will be invoiced prior to delivery. Deliverables for all projects are released once payment has been received in full.
